

The Ebony Tie Affair provides the opportunity to celebrate the collective accomplishments of Ebony men from diverse backgrounds and circumstances. For over seventeen years, the event has been an enriching and uplifting occasion for the gathering of friends – old and new.

The theme for 2019: “Leadership Through Service,” it is an affirmation of our appreciation of those mentors and champions that assisted each of us to get where we are today, and an obligation on our part to reach back and mentor other Ebony men today.

We proudly take our places in our chosen professions because our forefathers – our heroes – paved a path to permit our success. On this night we look back to recognize our mentors and we look forward to confirm our obligation to our brothers, old and new.

Please accept this invitation to enjoy an evening of fellowship.

Please complete and return the registration form by Monday, November 11, 2019.
